

BEAN FEED FRIDAY FOR Y.M.C.A. BOYS

Popular Events for the Local-Lads Coming to a Close.

The series of bean feeds that the Boys' department of the Y. M. C. A. have been promoting, are nearing the end, for as spring and nice weather arrives the indoor program will be changed for one out of doors. All the boys have been very enthusiastic over their Friday night suppers, for they have always been able to have a very good time. It afforded them a place where a large number could meet around the supper table and the social season has been invaluable to more than a few.

After the supper the custom has always been to separate to their various club rooms where each class participated for a few minutes in the study of the life of Jesus Christ. Each club also had its basketball team which played in the scheduled tournament games every Saturday morning. A shield is to be given the club that wins the all round contest between the teams, and this will have the team on it and possibly the names of the members, and will hang on the wall in the Boys' department. The all round contest takes in a four-fold development, or in other words, a physical, mental, social and moral development.

There will only be two more suppers and all the club members are urged to be present, for there will have to be a general running up so that the winning club can be decided upon.

MANNINGTON

Charles French Dies.

Charles F. French died on Monday afternoon at one o'clock at his home at Rymer, after an illness of influenza, followed by pneumonia. He was thirty-one years of age and is survived by his mother, Mrs. Bert Satterfield, a wife, two small daughters, Hester and Ruby, a brother, Samuel French, and a half sister, Mrs. Agnes Rohanna, all of Rymer. The funeral was held from the late home at one o'clock this afternoon, conducted by Rev. A. E. Michael and interment was made in the Rymer cemetery.

Out Again.

Dempsey F. Huey, of East Main street, is able to be out after an illness of two weeks.

Entertained at Dinner.

Rev. and Mrs. John Beddow entertained at dinner on Monday for Dr. and Mrs. John Hamilton and H. E. Storrs, of the Hamilton evangelistic

DR. RICHARDS' WORDS SHOW WHY TRUTONA OVERCOMES BAD AFTER-EFFECTS OF "FLU"

"An Appetizer, System Builder, Strengtheners and Real Nerve Tonic." Prominent Physician Declares of Perfect Preparation—What all "Flu" Victims Need.

"As an appetizer, strengthener, system builder and real nerve tonic, I can heartily recommend and commend Trutona."

Dr. J. Richards, the prominent Tennessee physician, in making the foregoing statement, has really pronounced Trutona a remarkable treatment for overcoming serious after-effects of influenza, pneumonia and the like.

Victims of these dreaded winter maladies, after "recovering" from an attack, almost invariably find themselves possessed of little or no appetite and their systems in a dreadfully weakened, run-down and nervous state. Considering Dr. Richards' words it is easy to understand why Trutona has proven such a remarkable remedy for overcoming these bad after effects. "An appetizer, strengthener, system builder and real nerve tonic"—these are the qualifications that have won for Trutona the unstinted praise of thousands of unfortunate influenza and pneumonia victims who have regained their health through the Perfect Tonic.

"What Others Say."

Mike Hamilton, a traction company employe and well-known Terre Haute,

Ind., man who lives at 418 South Pearl street, enthusiastically praising the reconstructive powers of Trutona, says:

"I can hardly realize how much good Trutona's done for me in ridding my system of the after-effects of influenza. I certainly feel different now, today and I can highly recommend Trutona, especially as an after-the-flu medicine."

Harry Lee, 1641 Gallagher street, Louisville, Ky., a sufferer from the after-effects of pneumonia, says: "I've gained twenty-eight pounds and feel fine now—just like a new man, since taking Trutona," all of which is surely conclusive proof of Trutona's merit.

"I've found Trutona to be very efficient in overcoming after-effects of influenza," declares Mr. Iva Gates, a well-known Peru, Ind., woman of 155 Canal street.

There are scores of other similar statements and they prove conclusively that there is no better preparation for the treatment of after-effects of pneumonia, influenza, deep colds and the like than Trutona, the Perfect Tonic.

Trutona is sold in Fairmont at W. R. Crane Drug Co.

Box and Pie Social at Moody Run School

A box and pie social will be held at Moody-run school house Friday evening, March 19. The proceeds are to be used for the benefit of the school. In addition to the boxes and pies to be sold there will be amusements in the nature of contests. Everybody is invited to come and spend a pleasant evening and help the school secure better equipment.

SOME PUBLISHERS---

Refer Advertisers to

"Government Statements" of Circulation

They Mean *their* statements to the Government, which is a very different thing.

The Government does not make any statement in regard to circulation.

Statements to the Government, in the absence of verification, are valueless to the advertiser.

There is one method and only one of ascertaining the facts regarding the circulation of a paper.

And that is by referring to the reports of the Audit Bureau of Circulation.

A publication that quotes its statement to the Government in lieu of an A. B. C. report is evading the issue.

It's dollars to doughnuts—

no man ever smoked a better cigarette at any price!

CAMELS quality, and their expert blend of choice Turkish and choice Domestic tobaccos hand you a cigarette that will satisfy every smoke desire you ever expressed. You will prefer this Camel blend to either kind smoked straight!

Camels mellow-mildness will certainly appeal to you. The "body" is all there, and that smoothness! It's a delight!

Go the limit with Camels! They will not tire your taste. And, they leave no unpleasant cigarette aftertaste nor unpleasant cigarette odor!

Just compare Camels with any cigarette in the world at any price!

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes; or ten packages (200 cigarettes) in a glassine paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.
